Applying to register an unregistered vehicle

If the vehicle comes from a licensed motor dealer:

The dealer will tell you what you need to do. Most dealers are authorised to check your identification on behalf of Roads and Maritime. Show proof of your identity to the dealer.

If the vehicle does not come from a licensed motor dealer:

You need to have the vehicle inspected and identified. Most vehicles can be taken to an appropriate Authorised Inspection Station (AIS) or Authorised Unregistered Vehicle Inspection Station (AUVIS), but some must be presented at special motor registries where inspections are done. Please contact our Contact Centre on 13 22 13 for information about where you can get your vehicle checked. If your vehicle is inspected and identified at an AIS/AUVIS, the examiner should complete the vehicle details on this form and give you an inspection report.

To register the vehicle:

You will need to go to a registry or send an authorised representative. If you send a representative you must fill in the Representative's Authority on this page. If the vehicle is being registered in the name of a corporation, the Representative's Authority must be filled in. For a company, the Director or an authorised delegate must complete and sign the Representative's section. In the cases of an incorporation association, it is the public officer who must sign. In all cases, the authorised representative must provide proof of their identity.

- Proof of your identity;
- Roads and Maritime copy of your compulsory third party insurance certificate (green slip). Note: CTP insurers cannot send electronic greenslips for establish registrations;
- The inspection report (blue slip);
- An original receipt for the vehicle, which clearly shows your name, the seller's name, address and signature, the date you purchased the vehicle; how much you paid for it; the registration number; the VIN or chassis number;
- Evidence of the vehicle's previous registration;
- Proof of garage address for heavy vehicles; and
- The old number plates if still in your possession.
- For home-made new trailers being registered for the first time, a Proof of Registration Entitlement form will be provided by the registry staff, to be completed at the registry, when you attend.

Stamp duty charges:

Stamp duty is charged in most cases. It is at least 3% of the sale price or market value of the vehicle (whichever is higher). For certain vehicles exceeding \$45,000 a 2% surcharge will apply for any amount over \$45,000. (If necessary, the market value is rounded up to the next hundred dollars - for example the stamp duty is the same for a vehicle worth \$1450 as for a vehicle worth \$1500.) RMS collects stamp duty charges on behalf of the Office of State Revenue (OSR). The OSR conducts regular audits of declared values. Understatements of market value may attract additional duty together with penalties and interest.

Note: If the vehicle you have is currently registered interstate, or has expired interstate registration, you must provide evidence that you have paid stamp duty in the State in which the vehicle was previously registered. You must provide a current certificate of registration. If the certificate of registration has been lost, our registry can organise verification (minimum 48 hours required for verification).

Proof of Identity (POI):

When you attend a registry or Service NSW centre, you need to show proof of identity (POI). You can use your current Roads and Maritime issued NSW driver photo licence or one which expired within the last 2 years.

A brochure listing other acceptable POI documents is available from our registries, by calling our Contact Centre on 13 22 13.

Hearing or speech impaired? Call us on the National Relay Service: TTY users phone 13 36 77 then ask for 13 22 13. Speak and Listen users phone 1300 555 727 and ask for 13 22 13. or by visiting our Website at rms.nsw.gov.au. Your POI documents must be originals and must include your signature and your residential address.

- Certificate of Registration with Australian Company Number (ACN);
- A current Extract of the Company with ACN;
- Certificate of Registration on Change of Name with ACN
- A printed extract from the Australian Securities Investment Commission (ASIC) website with ACN;
- Certificate of Incorporation issued by the NSW Office of Fair Trading;
- Certificate of Registration of a Foreign Company, with Australian Registered Body Number (ARBN) for companies incorporated overseas.

Government authorities or organisations incorporated under legislation must provide on letterhead the name of the Act under which they are incorporated.

Courtesy name:

This field may be used to record an organisation name. This name will be recorded on the Certificate of Registration. The name recorded in this field is not the registered operator of the vehicle.

Proof of garage address:

For heavy vehicles over 4.5 tonnes GVM acceptable proofs are:

- Certificate of Title of ownership for premises;
- Lease agreement or rent book;
- Council rate notice;
- Utility accounts relating to street address;
